## February 2022 Newsletter

Welcome to Jack and Edie and their families. Welcome to Evergreen Forest Nursery.

A CA

We made bird seed hearts for our homes for Valentine's Day!

We have new hammocks in our Forest Area for chilling, resting and sleeping!

We have a new painting area in the Forest Area for large scale painting and splashing!

We have more new soft toys to join our raven, magpie and pigeon - we now have a hawk, peacock, ferret, badger, beaver and mole. The children are loving naming them, sharing them and discussing their habitat, food chain, features etc.

We have a new indoor kitchen area that Michael has built for us to make our own food without the help of Mummy Bear. We have our own fridge too in our self-contained child friendly area of the barn.

We have new outdoor buckets with our names proudly marked.

There are new 'I spy' outdoor posters in the forest to help us identify our birds, insects and wildlife.

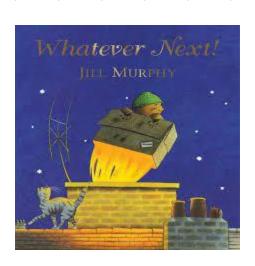

Learning all about Space and the Planets and building our own solar system out of a hula hoop!

## Space – Space rockets, moon landing and

Planets...

We have been reading Whatever Next with the children. Baby Bear found a rocket ship and went to the moon with his friend Owl and his teddy. This sparked the children's imagination and we set off at various parts of the forest to build our ship and soar into space. The children have worked tremendously hard naming planets, reading books, playing with space shuttles, astronauts and moon buggies, eating moon porridge, painting rockets and counting down to blast off.

Again, huge, huge thanks to Mabel and Hunter for their art-work and home work about space and the planets. Your work will be proudly displayed in our Floor Book. You are super stars!

Thomas was super keen to show us his knowledge of planets using a book, and Otis and Olive were instrumental in deciding that a picnic should be taken for the journey to the moon.

## TOYS –

If your child chooses to bring a toy to Nursery, please rest assured that we will try our best to make sure this comes home with them at the end of the day, however, this is not the most important element of our day. Our priority is to make sure that the children are safely handed over at the end of the day with their indoor bags and any items that they have made at Nursery. Second to this will be any birthday cake, notes, invoices to go home to parents along with their child's dummies/blankets and soothers. Toys are not a priority so if these toys cannot be found instantly, we will ask that they are found and returned the next session or week. We hope that you understand, and this is to your satisfaction.

## As per last month....

Forgive us for repeating ourselves and please ignore if you have already settled your payment this year. ☺ We still have many families that have money outstanding which has a time and frustration element. ☺

Please don't forget to set up a Standing Order to Evergreen Forest Nursery for weekly or monthly payments.
